Abe's

An Honest Meal
(585) 352-9420

Abe's Restaurant, a family tradition since 1993, is open year round for breakfast, lunch and dinner. Co-owned by Chris Dery and Dave Porteus, our goal is to serve you excellent fresh food in a clean family atmosphere.

Abe's uses fresh lean ground beef, pressed out daily with a glass pie plate and served on a fresh hard roll. We serve only quality ingredients, using name brands like Hellmans, Heinz and French's on our sandwiches and still make old fashion milk shakes.

We deep fry our food in **Trans Fat Free Oil**. Everything is cooked to order to ensure the highest quality. To help keep prices down, Abe's does not except credit cards. An ATM machine is available. We welcome your comments as to how we can serve you better and we thank you for your business.
